Festival of contemporary dance 2010

July 8 – 18, 2010

Science Friction is a contemporary dance company that was established in Vancouver in 2003 by Co-Artistic Directors **Shannon Moreno** and **Farley Johansson**.

Science Friction has created and performed a wide range of works in Germany, Canada and Brazil that have been seen on stages and screens both big and small.

Science Friction has collaborated with many artist form varying disciplines and backgrounds, and has been generously supported by the Canada Council and the BC Arts Council. Science Friction has been commissioned to create a new work for the Osnabruck Tanz Theater in June 2011.

Science Friction's work has appeared in Dances for a Small Stage, the Vancouver International Dance Festival, Dance in Vancouver, Press Play 2-4, Chutzpah Festival, Lucky Trimmer(Berlin,D), Tanzarts Festival (Giessen, Koblenz and Greifswald,D), Vila Danca(Salvador, Brazil), Choreographic Miniatures Competition in Belgrade, Serbia where Science Friction received 2nd place and the Audience's Choice Award for their duet, Lie with me.
